

TERMS AND CONDITIONS

Please read these terms and conditions before you begin using the Wonderbag mobile website or application to order a Wonderbag (“our Platform”). These terms form a legally binding agreement between you and Wonderbag (“this Agreement”). Our Platform is operated by Natural Balance Global (Pty) Ltd, trading as “Wonderbag” (“we, our or us”). You can access our Platform through our main website, mobile website or mobile application.

All of the provisions of this Agreement are important, but please pay special attention to the parts that are in bold writing. These parts contain information about provisions that have special consequences for you.

How you consent to these terms

Upon placing an order via our Platform, please be aware that you have agreed to these terms. You will be provided with an opportunity to accept these terms before your order is placed. Please read these terms carefully – if you don’t agree to them, please do not place an order via our Platform.

Changes to the terms

We may, at any time and at our discretion, vary this Agreement by publishing the varied terms on our Platform. We recommend you check our website(s) or mobile application regularly to ensure you are aware of our current terms. Materials and information on the Platform are subject to change without notice. We do not undertake to keep our Platform up-to-date and we are not liable if any content is inaccurate or out-of-date.

Nature of the Platform

The Platform enables you to place an order, pay for, and receive delivery of a Wonderbag – either as an ordinary retail customer via our main website, or as a participant in one of our community projects, via our mobile application or mobile website.

Privacy

Privacy is very important to us. We respect your privacy and understand that protecting your personal information is important. Please refer to our [Privacy Notice](#) and / or [GDPR Policy](#) which sets out how we will collect and handle your personal information.

Use of our Platform

As a user of our Platform you are granted non-exclusive, royalty-free, revocable, worldwide, non-transferable licence to use our Platform in accordance with this Agreement.

Conduct

We expect users of our Platform to abide by a certain standard of behaviour. Please do not attempt to undertake in any unlawful activity on our Platform, which is prohibited by any laws applicable to our Platform, which we would consider inappropriate or which might bring our site into disrepute. This includes:

- (a) breach of an individual's privacy (including uploading private or personal information without an individual's consent) or any other legal rights;
- (b) using our Platform as a means to defame, harass, threaten, menace or offend any person;
- (c) interfering with any user of our Platform;
- (d) tampering with or modifying our Platform, knowingly transmitting viruses or other disabling features, or damaging or interfering with our site, including (without limitation) using trojan horses, viruses or piracy or programming routines that may damage or interfere with our Platform;
- (e) using our Platform to send unsolicited electronic messages; or
- (f) facilitating or assisting a third party to do any of the above acts.

Transfer of ownership

An agreement of sale between Wonderbag and a customer is only valid once payment has been made and we receive proof of payment. Up until this point all goods remain the property of Wonderbag. All risk, title and ownership will transfer to you on receipt of payment.

Delivery Policy

Subject to availability and receipt of payment, orders will be processed within 5 (Five) working days.

All orders are dispatched via a third-party service provider. A delivery being delayed is not grounds for return or refund and we are not responsible for any delays beyond our reasonable control.

You accept that in order for us to prove delivery of an order, we do not have to prove that you personally received the goods, but rather that any person at the delivery address signed for the delivery.

If you make use of the Pargo delivery option (currently available in South Africa for community projects), it is important to understand that such

deliveries are covered by Pargo's terms and conditions, in addition to these terms and conditions. You can access the Pargo terms and conditions on their website at www.pargo.co.za

Return and Refunds Policy

The provision of goods by Wonderbag is subject to availability. In cases of unavailability, we will notify you.

An order can be cancelled if payment has not been made yet for the order by the customer. Once payment has been made by the customer for an order, the order can only be cancelled before the order has been dispatched by us. If the order has already been dispatched, you may still cancel your order, but you will be charged a R140 return fee, which will be deducted before a refund is processed. Refunds will only be processed if the product is unopened and in its original packaging.

If you make use of the Pargo delivery option and you do not collect your parcel within 8 (Eight) days of being notified that it is ready for collection, your parcel will be returned to Wonderbag and you will be charged a R140 return fee.

The return fees may change from time to time without further notice to you, due to service provider increases, rising fuel costs and other relevant factors.

If a product is damaged or broken when you receive it, you must inform us within one working day of receiving it. We will then make arrangements for a replacement product to be sent to you on our account or to refund you in full for the damaged or broken product.

All community project Wonderbags come with a warranty of 10 (Ten) years. If your Wonderbag is defective, or it has been damaged due to normal wear and tear, we will repair or replace it for you at no charge. If we establish that your Wonderbag has been damaged due to misuse (used other than for its intended purpose and in line with our guidelines and recommendations), you will be liable for the postage or delivery fees and we may charge you a reasonable repair or replacement fee.

If you are a retail customer and your Wonderbag is clearly defective and has not been damaged due to use, you may request a refund within the first 6 (Six) months of purchase. If the product is in its original sealed state we will issue a return number and a return delivery address. Shipping costs for the return will be for your account. Upon receipt, we will inspect the item and if it is in its original sealed state, we will refund you the purchase price that you paid for the product. If you have opened and used the Wonderbag, we will inspect it and determine, in our sole discretion, whether the defect arose

from manufacturing or from your use of the product. If it is a manufacturing defect, we will refund you the purchase price that you paid for the product. If we establish that the Wonderbag has been damaged due to normal use thereof (in other words, normal wear and tear), no refund will be payable, but we are happy to repair the Wonderbag or provide you with a new one, subject to payment by you of the repair or replacement costs.

Fees and payments

Our Platform currently allows for payments by way of card (via third party payment gateway), instant EFT or electronic bank transfer. Your order will only be processed once payment has been received and cleared into our bank account, or into our payment service provider's account.

Fees in respect of deliveries may vary according to various criteria, including, but not limited to, the size, weight and / or volume of the item to be delivered; distance travelled; time frame of delivery; and whether you are participating in one of our community projects. **We reserve the right to amend the fees from time to time without advance notice to you.**

You must maintain a valid bank account registered on our Platform. You must ensure that all contact and payment information (email address, physical addresses, account numbers) which you provide is accurate and not misleading and that you will update it so that it remains so.

Prices include any applicable VAT or other sales tax unless otherwise stated.

Upon placing an order, we will reserve the estimated fee on your active cheque / credit card. Once the order has been completed, the full actual amount due for the order will be debited from your active cheque / credit card.

Cooperation and participation in community projects

The effective functioning of our Platform and community projects requires your cooperation. If you are a participant in a community project, you agree that you will:

- (a) Provide us with accurate information relating to all required fields on the mobile application or site. When you do so, you agree to participate in a carbon offset project;**
- (b) Not be entitled to order more than 2 (Two) Wonderbags per individual;**

- (c) Participate in surveys conducted by us, or by third parties, relating to any carbon offset project in respect (this allows carbon emissions reductions generated through our Platform to be independently verified). This information will be shared with our carbon consultants and third party independent verification bodies in order to measure the savings in greenhouse gas emissions created because of your use of a Wonderbag;**

- (d) Notify us, via the Platform, should your contact details change, so that we may continue to engage with you relating to any carbon offset projects.**

- (e) In line with our Privacy Notice, information about carbon offset projects is kept for about 14 years, which is the standard duration of the carbon project. After that period, it is destroyed or made anonymous, so that it is no longer linked to you specifically.**

- (f) Your information will be kept private and safe, in line with government regulations.**

- (g) If you agree, we may also send you marketing information from time to time, but you can choose not to receive this or, if you have agreed, you can contact us at any time to ask us to stop sending you marketing materials.**

- (h) If you agree, we may post photos or videos about you on social media platforms.**

- (i) You have the right, at any time, to ask us to confirm what personal information we hold about you and with who we have shared it. You may also ask us to correct or update any incorrect information, or ask us to stop using your information. If you ask us to stop before the 9-year period is over, we may need to keep some of the information (but we will make this as little as possible) until the end of the carbon project. We will in such cases do our best to make the information anonymous.**
